

Question-1

4.1. Financial stability of the Bidders will be judged based on the ratios such as current ratio, quick ratio and debt ratio. Bidders are requested to provide key financial ratios using the table below with their audited financial statements to support the statements. The financial ratios should cover key financial stability ratios over a five-year period, including those mentioned in the table below.

Financial Ratio	2014	2015	2016
Current ratio			
Quick ratio			
Debt ratio			

Please clarify if the financial ratios for the related years mentioned in table above will be enough or or any other financial ratio for any other years are requested. If so, which financial ratios for which years are requested?

Answer- Financial ratios for the related years mentioned in table above will be enough for that part.

Question-2

We would like to know if you could kindly share the Annexes, as we could not reach them through the link.

Answer: It is possible to reach all Annex from RFP document. All required forms has been added to RFP document as separate pages.
